Message from the Chair and Executive Director

CIF's vision is for vibrant, resilient, sustainable and proud Saskatchewan communities whose citizens are engaged and working together.

Dear Partners and Community Leaders,

During 2010-11 great strides were taken by Community Initiatives Fund (CIF) representatives to significantly strengthen the presence and effectiveness of the CIF among Saskatchewan communities.

One priority was to validate the organization's mandate by conferring with partners, stakeholders and beneficiaries throughout Saskatchewan. These efforts culminated in renewed vision, mission and values for the CIF, and helped identify CIF's priorities for the next three years. The CIF will more strongly assume a leadership role in support of community organizations, position itself as a strategic and innovative funder, and strengthen its capacity for delivery and accountability.

Inauguration of the *Community Vitality Program*, tailored to address small capital needs and community pride events and milestones, increased CIF's investment in communities by 123 grants totaling \$2,630,140 during the year. This program, announced in May 2010, was designed to draw upon CIF's accumulated reserve funds so as not to impact regular CIF programming. Up to three million dollars in grants is designated for Saskatchewan communities each year until 2013.

During the year, the CIF Board approved 581 grants, disbursing \$9,501,052 through programming. CIF received just over \$8 million in revenues, representing CIF's portion of net revenues from the Regina and Moose Jaw casinos.

Branding and communication efforts during this time contributed significantly to CIF's enhanced presence among partners and Saskatchewan communities. CIF's new visual identity logo and guidelines, website, brochure and display were developed with CIF's programming and Saskatchewan's communities in mind. A media event in March highlighted the *Community Vitality Program* and profiled the CIF.

CIF's partners continue to be the core of effective program delivery and community benefit. We recognize our grant review partners—including Regional Intersectoral Committees, Saskatchewan Parks and Recreation Association, the Saskatchewan Branch of the Canadian Mental Health Association, Urban Aboriginal Committees throughout the province—and thank them for their continued support and engagement. We also recognize our volunteer adjudication committee members for their work with the *Community Vitality Program*.

Our appreciation is extended to the Ministry of Tourism, Parks, Culture and Sport and the Government of Saskatchewan for their foresight in establishing the CIF. We are proud to work with the Ministry, our partners and community leaders to help residents *Connect* with the CIF, *Engage* as volunteers, and *Thrive* as proud and sustainable Saskatchewan communities. We're looking forward to another great year in 2011-12.

Our Board

The CIF is a *Special Purpose Fund* created through *The Saskatchewan Gaming Corporation Act*, governed by a board of eight members, and accountable to the Ministry of Tourism, Parks, Culture and Sport. Board members are appointed by the Government of Saskatchewan, and are volunteers with extensive community-based experience. We acknowledge and extend our appreciation to Paul Merriman of Saskatoon, who resigned from the Board in October 2010.

"Being a member of the CIF board is an inspiring and gratifying experience. I am able to participate in supporting community-based and volunteer organizations throughout Saskatchewan who are committed, determined, and focused on enhancing the development and well-being of their communities."

Darlene Bessey, Saskatoon (chair)

"Non-profit community based organizations are the backbone of our province. They need to be supported so they continue the work required that ensures Saskatchewan families and communities continue to thrive."

Darcy McLeod, Yorkton, (vice chair)

"It is exhilarating to be able to assist non profit organizations and smaller communities in achieving their goals through the different grants the CIF provides. Being able to empower smaller communities by providing top up funds for community projects has a fundamental impact on the whole community."

Terri Davis, Prince Albert

"Non-profit community organizations play an important role in the welfare of our communities and it is vitally important to help fund these organizations."

Dwight Lemon, Swift Current

"Being part of the CIF has been both meaningful and rewarding. The work we have accomplished has supported communities that provided projects which encourage leadership, culture, and health. I am honoured to have been given this opportunity to serve as a CIF board member. Kinanaskomitinawaw (Thank You in Cree)"

Cara Merasty, Pelican Narrows

"Community-based organizations are the thread that keeps the fabric of this province strong. It's very comforting to know CIF helps hundreds of organizations from tiny villages to large cities make a difference in their communities."

Joe Ralko, Regina

"Our CIF funding programs improve quality of life and well being making a visible community improvement. Our programs promote volunteerism, community participation and partnerships in our non-profit sector."

Alan Tanchak, Hafford

Our Programs

The Community Initiatives Fund (CIF) offers grant programs for community-led projects that benefit children, youth and families in Saskatchewan.

The mission of the CIF is to make knowledgeable and effective investments in community-based initiatives throughout Saskatchewan that strengthen the capacity of communities.

Making it easy for communities to connect with us at the CIF is a key objective. Visit our recently-launched website at www.cifsask.org and check back often as we continue to build an informative and interactive site.

CIF programs foster community development and vitality and help support opportunities for children, youth involvement, volunteer leadership and Aboriginal inclusion. Emphasis in these

areas provides tangible benefits for all residents by supporting Saskatchewan's vibrant communities and an enhanced quality of life.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

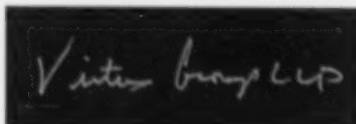

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of **Community Initiatives Fund** as at March 31, 2011, and its results of operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

Notes to Financial Statements

March 31, 2011

1. Nature of operations:

The Community Initiatives Fund (the "Fund"), previously known as the Associated Entities Fund, was established on August 23, 1996 by The Saskatchewan Gaming Corporation Act. It is managed by a Board consisting of eight people appointed by the Lieutenant Governor in Council. The Board is responsible for managing and operating the Fund.

Pursuant to The Saskatchewan Gaming Corporation Act, the Government of Saskatchewan receives, into the General Revenue Fund, certain gaming revenues. The Minister of Finance transfers a portion of these gaming revenues to the Fund. The Board of the Fund grants these revenues to persons, organizations or associations in Saskatchewan for purposes prescribed by the Lieutenant Governor in Council upon application to and approval by the Board.

The Fund has an agreement with Sask Sport Inc. to provide administrative services to the Fund. In 2011 Sask Sport Inc. was paid \$190,740 (2010 - \$187,000). The term of the current agreement is April 1, 2009 to March 31, 2012.

2. Significant accounting policies:

The Fund uses generally accepted accounting principles as recommended by the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants (PSAB). The following accounting policies are considered significant.

Grant expense:

Grants are recognized when a completed grant application is received from an eligible organization and approved by the Board.

Grant returns:

Grant returns are recognized when a completed follow up report is received indicating funds were not fully utilized and approval is obtained from the Board.

Use of estimates:

The preparation of financial statements in conformity with the PSAB requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Actual results could differ from those estimates. Differences are reflected in current earnings when identified.

Revenue Recognition:

Transfers from the General Revenue Fund are recognized when received or receivable. Interest revenue is recognized when earned.

Investments:

Investments are recorded at amortized cost.

3. Designated net assets:

Pursuant to directions given under the governing legislation, the Board of the Fund has designated net assets as follows:

- **Community Grants** to provide project grants to community initiatives that enhance human development;
- **Community Vitality** to provide project grants to community initiatives that encourage local youth, voluntary and community actions to build sustainable communities and improve quality of life;
- **Physical Activity** to fund projects aimed at increasing physical activity;
- **Problem Gambling** for initiatives to address problem gambling;
